Gain access to resources and supportive services.

BLFI VISION

The B Love Foundation, Inc. vision is "**be love first...be nothing but love.**"

TRANSITIONING CITIZEN ASSISTANCE PROGRAM (TCAP) OVERVIEW

TCAP PURPOSE

To help transitioning citizens become employable through education, training and workshops designed to equip under-represented people with the knowledge and tools vital to secure gainful employment as qualified credible employees.

TCAP SCOPE

The Transitioning Citizen Assistance Program will target employable human beings who are experiencing hardship that impacts life, health, family, home, income, etc. The program strives to empower under-represented citizens to find success and security through self-sustainment in society.

TRANSITIONING CITIZEN ASSISTANCE PROGRAM (TCAP) DESCRIPTION

TCAP OUTLINE

TCAP focuses on three levels of personal development. Each level requires individual engagement and interaction to successfully complete program criteria. Training, presentations, videos, handouts, reference material, evaluations and quizzes apply to each program level.

All participants will receive a certificate of attendance or certification card, where applicable.

The program emphasizes:

- **Job Readiness Services**
- **Behavioral Awareness Training**
- **Occupational Safety Training**
- **Supportive Services**
